To whom it may concern:

It is with great pleasure that I submit the following recommendation for Lang Signs:

Over the years, Lang Signs has made numerous signs for us, beginning with signs for our Zaxby's Restaurants. They have the ability to create many different types of signs and their customer service is beyond reproach. Lang Signs will work diligently with you to create the perfect sign. I would highly recommend them!

Sincerely,

Tony D. Townley
